

TOOL SERIES **I104**

I104-16D201008C12

Machine Type :

Conventional and CNC Lathe,
Automatic short turning lathe

Suitable Method :

Plunge knurling, Feed knurling.

Features :

- Form knurling without swarf removal
- Integrated Center height
- Set Screws for correction of clearance angle
- Round shank held in boring holder

POSSIBLE KNURLING PROFILE:

Plunge Knurling-

AA BL BR GE

GV KV KE

Feed Knurling-

AA BL BR
